

Driving Safety

Information, insights and resources
to help improve fleet and driver safety

Thanks for staying connected with AutoSense. This month we're spotlighting the events and conversations shaping safer fleets across Australasia — from the **Australasian Fleet Champions Awards** to Brake's **Active Fatigue Management webinar**, and an educational *In the Driver's Seat podcast with Greg Murphy* and Nathan Wallis.

It's a great time to connect, learn from industry leaders, and keep the focus on driving safety and wellbeing across your fleet.

Australasian Fleet Champions Awards — Tuesday, 11 November

AutoSense is proud to sponsor the **Australasian Fleet Champions Awards**, celebrating the heroes of fleet safety across Australasia.

Monday is the last day to register for the awards evening – and it's going to be a goodie!

Hosted by *Sky Speed* duo **Stephen McIvor** and **Greg Murphy**, this year's event will showcase the people and organisations making a real difference on our roads. It's a great opportunity to connect, celebrate, and be inspired.

AutoSense 
DRIVING SAFETY

Join us for an **exclusive breakfast** with industry leaders and safety experts, exploring how data, technology, and policy can work together to actively combat driver fatigue and distraction.

Hear from leading voices on how to **reduce one of the biggest risks in the workplace — driving** — and discover how smarter insights and safer policies are helping fleets across New Zealand protect drivers and improve performance.

Seats are limited and filling fast. So register today!

**Active Fatigue Management Webinar – hosted
by Brake**

Join **Charles Dawson**, **Michael Wallace**, and **Katrina Aubrey** as they unpack what it means to move from **reactive to active fatigue management**. Discover the latest tech insights from Guardian Gen 3, practical policy guidance, and proven countermeasures to help drivers stay alert and fleets stay ahead of risk.

In the Driver's Seat Podcast — featuring Nathan Wallis

What happens in the brain when we drive — and why does it matter? Neuroscience expert **Nathan Wallis** joins **Greg Murphy** to explore attention, distraction, and how stress impacts our performance behind the wheel.

It's a fascinating listen and a great tool to share with your drivers and teams to build awareness around driving as a critical risk.
